

Web Developer

[VIEW PORTFOLIO](#)

# Micci Curto

Skilled software engineer with UX/UI expertise; proficient in full-stack web development using HTML/CSS, JavaScript/jQuery, React.js, MongoDB, etc. Passionate about current industry trends, offering a blend of technical and creative insights. Valuable team asset with a knack for problem-solving.

## WORK EXPERIENCE

### Commanders, LLC

*UX Designer | 2021 - Present*

- Optimized user experience using feedback, analytics, and best practices.
- Designed compelling user journeys with tools like Adobe XD and Figma.
- Addressed UX challenges through client-centric mapping.
- Collaborated in design thinking workshops (in-person and virtual).
- Presented solutions to teams, leadership, and clients.
- Conducted user research by spearheading interviews, surveys, and usability tests, gathering insights to refine user journeys.

### Congressional Homes, LLC

*Accounts Payable Associate | 2018 - 2021*

- Managed the full accounts payable cycle, from invoice receipt to payment, with emphasis on accurate coding and timely system entry.
- Delivered executive summaries detailing subcontractor expenses across multiple projects.
- Ensured strict compliance with accounts payable policies, including travel expenses, vendor approvals, and invoice processing.
- Resolved inquiries about account status and enhanced subcontractor billing processes.

### Smokey Bones

*Manager | 2015 - 2018*
